

# STRENGTHENING INCLUSION IN SCHOOLS

TUESDAY, APRIL 16, RM 200, 6-8:30 P.M.

## Join the conversation

In response to the Manitoba commission reviewing kindergarten to Grade 12 education, we are providing a forum to amplify the voices of those who value inclusive education and want it to remain a priority in our province.

You are invited to participate in table conversations (in French and English) to share your perspectives on how maintain, improve, and strengthen inclusion in Manitoba's schools.

Ideas will be recorded, compiled and submitted to the commission.

Light refreshments will be served.
